# 1. Course Overview

**Prerequisite:** There are no prerequisites for this course.

When you space clear and remove residual energy you create a positive energy flow and heal your natural surroundings, and by doing that you also heal yourself and all who use the space.

Space clearing has a positive impact on mental, physical and spiritual health.

In this Space Clearing course, you will learn the tried and tested methods used for decades by Dr. Debra and Rev. Deneen to clear energy. You will understand the importance of preparation and of having clear intentions. You will learn multiple methods of space-clearing and know how and when to perform a space-clearing.

**Format:** This is a self-paced course. This course consists of 3 modules with videos. You have 12 months from your registration date to complete. Each module needs to be completed in order, as each one builds upon the next. Complete the QUIZ's after each module to receive your Certificate of Completion.

**Estimated time:** The estimated time to complete this course is 15 hours. But this depends on your own study style and whether you pause the modules to implement the teachings.

## 2. Is this Program right for you?

This course is one of two designed to help you understand working with the energy of a space.

1. In this **Space Clearing** course, you will learn highly effective ways to cleanse the energy in your space; a process that removes negative energy and creates a quick shift.
2. The **Basic Zone Feng Shui** course is all about creating an environment where you live in harmony and balance with your surroundings.

Complete all 3 modules and 2 QUIZ's and receive a [Space Clearing certificate](#) of completion. In this course you will learn how to prepare; set your intentions; choose the best time; and many methods for highly effective space-clearing; as well as learn about the personal space-clearing habits of Dr. Debra and Rev. Deneen.

### **This Space Clearing course IS...**

- Recommended for any student who wishes to cleanse a space of negative residual energy.

## 6. Next Best Step

If you complete this course successfully and you loved it, why not take the partner course in working with Environmental Energetics - **Basic Zone Feng Shui**.

### [Basic Zone Feng Shui Course](#)

In this Basic Zone Feng Shui course you will learn how to remove negative energy from your space and how to enhance the energy of your space to create the life changes that you desire. By moving the energy in your space, the energy outside of you, you move the energy within you and create change.

In Zone Feng Shui it is understood that the energy of a space, where you live and work, has a profound impact on your personal energy. When you focus on your space using the tools and techniques of Zone Feng Shui, you balance energy. When you remove energy blockages you allow a clear flow of energy and this balance brings peace and calm to life.
